💼 Professional Experience

Let's Grow More, Web Intern

January 2022 – February 2022 | Solapur

- Engaged with a prominent project at Zippy Software Services, leading UI creation through adept utilization of HTML, CSS, and Bootstrap.
- Simultaneously contributed to backend development, specializing in optimizing data fetching APIs for enhanced website functionality.

🧠 Skills

Front End:
HTML5, CSS3, Bootstrap5

Programming Language:
Python

Database:
MySQL

Other technologies:
Operating System, Github

📁 Projects

Custom Desktop Notifier
- Developed the "Notifier" desktop application, a dual-functionality solution providing timely drinking water reminders alongside English vocabulary enrichment.
- Delivered proactive user notifications for hydration and facilitated continuous vocabulary expansion through intelligent word suggestions.

Portfolio Website
- Crafted an impressive portfolio leveraging HTML, CSS, and JavaScript to effectively demonstrate my skill set.
- Ensured a personalized and engaging representation of my skills, reflecting my proficiency in web development.

🏅 Awards

Google Swags, Google
- Actively engaged in the Google Facilitator Program, an initiative by Google, showcasing dedication to continuous learning and professional growth.
- Demonstrated exceptional skills and commitment, resulting in the recognition and reward of valuable swags from Google as an acknowledgment of outstanding performance.

General Secretary of Hostel, SVERI's College
- Demonstrated exceptional leadership as the Hostel General Secretary, actively contributing to successful hostel management.
- Proactively addressed and resolved various hostel member issues, including concerns related to Gym equipment, water filters, and overall cleanliness, fostering a conducive living environment.
